Unit 1 sounds –
<b>a, i, m, s, t</b>

Today your child will bring home a set of letter cards.

Please practise the sounds each letter makes along with using them to make and read words.

E.g. Place the 2 or 3 letter cards out needed to make a particular word. Say the word you want your child to make, then get them to say the word. Next get your child to put the letters in the correct order to make the word. Then get your child to say each sound whilst pointing to it and then say the whole word.
