

Fine Motor Skills Home Activity

Activity 2 – 7.10.21

Shaving Foam

Spray some shaving foam in to a tray/sandpit/work surface (you could first cover with a black bag for easy cleaning) and have fun!

Maybe add in some whisks, spoons, cupcake cases. If you're feeling brave add food colouring...

Extension –

Practice writing the letters we have learnt in phonics (letter cards sent home last week)

Practice writing numbers or even their names.
