

The Very Hungry Caterpillar

On a dark, dark night in the light of the moon a little egg lay on a leaf.

On Sunday morning a tiny caterpillar popped out of an egg!

First, he looked for some food.

On Monday he ate one crispy apple, **but** he was still hungry.

On Tuesday he ate two delicious pears, **but** he was still hungry.

On Wednesday he ate three yummy plums, **but** he was still hungry.

On Thursday he ate four scrumptious strawberries, **but** he was still hungry.

On Friday he ate five juicy oranges, **but** he was still hungry.

On Saturday he ate one piece of chocolate cake and one ice cream cone.

Then, he ate one pickle and one slice of Swiss cheese,

Next, he ate one slice of salami and one lollipop.

After that, he ate one piece of cherry pie and one sausage.

Finally, he ate one cupcake and one slice of watermelon.

Unfortunately, that night he had a stomach ache!

The next day was Sunday. **Luckily**, the caterpillar ate one nice green leaf which made him feel much better.

After that, he wasn't hungry anymore and he wasn't a tiny caterpillar anymore.
He was a big, fat caterpillar!

Next, he built a cocoon around himself and stayed inside for more than two weeks. **Then**, he nibbled a hole around the cocoon, pushed his way out and...

Finally, he was a beautiful butterfly!
