

21<sup>st</sup> April 2023

In the last 2 weeks of Sounds Write lessons, the children have been learning to blend, segment and sound manipulate using the following **NEW** sounds along with previous sounds:

Unit 11 sounds –

**sh, ch, tch**

Today your child will bring home a new set of letter cards, 2 letters one sound.

Please practise the sounds each pair of letters make along with using them to make and read words below.

**Unit 11 words to practise:**

shed	shell	wish	chin	chop
chill	witch	patch	hutch	

E.g. Randomly place out the 3/4 letter cards needed to make a particular word. Say the word you want your child to make, then get them to say the word. Next get your child to put the letters in the correct order to make the word. Then get your child to say each sound whilst pointing to it and then say the whole word. **Next ask your child to write the word, saying each sound as they write it.**

Repeat for different words in the above list.

**High-frequency words introduced:**

No new words please continue to practise all words sent out so far.
