Dear Maggie Williams and all at Paxcroft Primary School

I am writing to say a heartfelt thank you on behalf of We Hear You for the donation of £240.10 that was raised through Rachel Clark's 366 miles for WHY.

Your gift will ensure that we can continue to provide counselling and emotional support for patients, families, friends, and carers who have been affected or bereaved by cancer or any life-threatening condition, across Bath and North East Somerset, Somerset, and Wiltshire.

At We Hear You, we believe that no-one should have to cope with the emotional impact of a life-threatening diagnosis alone. Our services support anyone affected directly or indirectly by cancer or a life-threatening condition, from age four upwards, with no time limit around when support may be needed.

Your support is vital to us. We rely on the generous support of our community, local businesses, and charitable trusts to make our services available to those most in need.

We offer around 5,000 sessions every year, directly supporting around 550 people. Your support directly helps fund our service. In doing so, it gives more people facing psychological distress through illness and bereavement the help they need to cope and move forwards more positively.

People need our support now more than ever before. The number of people living with cancer is growing. The coronavirus pandemic has impacted people in countless ways; many people are experiencing loneliness, anxiety, and fear for the future, which is exacerbated by a life-threatening diagnosis.

The true value of your gift is immeasurable, it will have a lasting impact for countless patients, families, friends, and carers.

Yours sincerely

Robbie Newton (he/him)
