### **Y6 Maths Revision Club**

Dear Parents/Carers of pupils in Y6,

Whilst end of year results are only one measurement of a child's success at primary school, we would like to provide our children with the best opportunity to end the year feeling equipped and prepared for tests and for secondary school. With this in mind, we will be offering a Y6 Maths Revision Club after school on Wednesdays, starting from Wednesday 5<sup>th</sup> February. This will last for one hour from 3.15pm to 4.15pm each week. The sessions will be run by myself and the Y6 team, depending upon availability. This is completely optional for Y6s, though there will be snacks and treats as an enticement! Please let us know if you have any particular collection arrangements for your child, otherwise we will allow our Y6s to take themselves home after revision club.

We will also be running some in-school boosters for Y6 writing, again run by myself, to help support children make progress to and/or secure the Y6 expected standard. These will take place regularly during the school week.

As ever, please do get in touch if you have any questions.

Best wishes,

Mr A George
