Dear Paxcroft School Community,

The PSA recently indicated that support is needed in the planning and running of past and upcoming events, namely the Spring Disco and Summer Fayre. At this time, no support outside of the PSA committee has been indicated.

The PSA committee consists of five members of the community, all of whom work full-time and have families. They understand the busy lives we all lead and have stepped into the role of committee members, but they need your support going forward to make these events possible.

If support is not received, the Summer Fayre will be in jeopardy. Without further community involvement in the PSA, the long-term future of the Paxcroft School Association is uncertain, and the AGM in September could lead to a future postponement.

As a Parent, Carer or Staff member, you automatically become a member of the PSA when you join the school. The PSA was created to help provide closer links between home and school. It is a fun way to bring staff, parents and children together in support of a common goal. Everything that the PSA does is to benefit all children at Paxcroft.

PSA meetings are held monthly with the dates set out for the full school year. Coming along to just one or two of these is a great way to show your invaluable support. Through these meetings, we can all generate new event ideas, improve current fundraising and support making these ideas a reality.

For the Summer Fayre to go ahead this year, we need your help. We have identified a list of volunteer roles and support actions. These include home based and on the day actions. These can be found on our Paxcroft PSA Events page, under the volunteers section: [Paxcroft PSA](#)

All money raised by the PSA is used to support and enrich the whole school environment. Some of the things which money raised by the PSA has been used to provide include new books for the school library and classroom libraries, new outdoor games to be used at lunch and breaktimes and the buddy benches in the playground as well as subsidising school trips. We want to ensure this support can continue allowing enrichment of children's time at Paxcroft and that the community feel within the school flourishes.

We would like to thank those who have helped in the past and continue to support us on individual events. We hope to see many more members of the Paxcroft community getting involved.

Kinds Regards,

The Paxcroft PSA team.

Future meeting dates:

Monday 19th May
Wednesday 18th June
Monday 7th July
