Dear Parents/Carers,

An opportunity has come up to work with an accredited sports coaching and mentoring company, iProveFit, who come highly recommended from several schools in the local area. We have engaged with iProveFit to provide mentoring for a small group of Y3/4 boys, with a focus on co-operation, teamwork and respect through the medium of sport.

We would like for your child to take part, and would be looking at a 2-hour session every Monday for the next 5 weeks (from 16th June to 14th July). This session would start at 11.15am, with a 15-minute break between 12.15pm and 12.30pm, and would then integrate lunchtime, finishing at 1.30pm. The coach may then follow up with some 1:1 discussions and mentoring based on the contents of the session. Your child would need their PE kit with them to take part.

I think this is a really fantastic opportunity for the boys to take part in and would really appreciate feedback from pupils and parents of anyone participating at the end of the coaching course to see if we might continue this working relationship in the future.

Please can you complete the attached consent form and return to the school office by Friday 13th June at midday, so that I have time to update the coach with information about the boys taking part.

Best wishes,

Mr Alex George
