

We provide a face-to-face money and debt advice service, which is **free of charge**, unconditional, and confidential. It is in affiliation with the national money advice charity, Community Money Advice (CMA) and is Authorised and Regulated by the Financial Conduct Authority  
It offers a sustainable free money advice service in the Trowbridge area, which is professionally operated, taking account of all relevant risks. The service has been put in place because the Churches in Trowbridge (CATA) have identified a need for debt and money advice provision in the local community, particularly as similar services in surrounding towns have a large proportion of Trowbridge clients, underlining the need for a Trowbridge based service. Our vision is to give help and hope to people with money problems in the local community and to provide appropriate money education to try to prevent further problems arising.

**The centre is open on Tuesdays from 10am to 9pm and on Wednesdays 9am to 5pm**
