

Dear Parents/Carers,

Today we rounded off a special week of activities to celebrate World Book Day, with each class parading on the playground dressed as their favourite story characters.

All classes also enjoyed the opportunity to visit the school library, which had been transformed into Narnia, thanks to the hard work of Mrs Frost!

Thank you for supporting your children with their costumes and for supporting our Book Fair. Your support helped us to raise an amazing £700 to purchase new books for the school. A huge thank you

Lou Rhodes, Headteacher

New School Hours

From Monday 17th April 2023

Registration: 8.35 – 8.45am

School finishes for all: 3.15pm

Request From Reception...

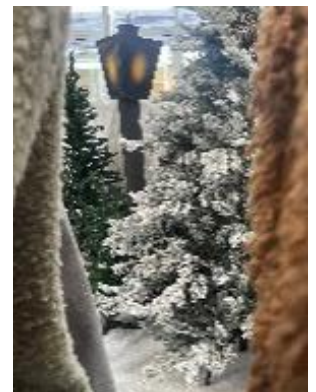

If anyone has any good quality unwanted dolls, prams, dolls clothes or accessories, Reception would love to make use of them.

Library News This Week...

Today we came in to find an exciting change in the Library.... overnight it had turned into Narnia. All the children have enjoyed visiting to see the transformation.

Our learning this week...

Wren & Robin

This week the children have been practising the story of 'The Very Hungry Caterpillar' using actions to help them remember. They have also drawn their own story maps to help with this. The children have looked at the lifecycle of the butterfly and have created their own using pasta! It was lovely to see the children dressed up for World Book Day and the children loved parading their costumes in front of the school. We also went to visit the school library which had been turned into Narnia. We had to climb through the wardrobe to get in there.

Woodpecker, Kingfisher & Nightingale

This week in year 1/2 we have been continuing to learn about Brunel and why he was important. We used Google Maps to look at the distances between Trowbridge and things Brunel designed; such as Bristol Temple Meads and Box Tunnel. In English, we have been using adjectives to describe and conjunctions to join sentences together. In PSHE, we have been looking at what we could do more often and less often to be healthier. We finished the week with a wonderful World Book Day dress up, the children's costumes were amazing and it was so lovely to hear and share their favourite stories.

Skylark, Housemartin & Swift

What an exciting week we have had in year 3/4! We have been doing book week activities throughout the week, which the children have really enjoyed. This has included making new front covers for our class books, making fantastical dream jars, as well as ambitious adjective medicine bottles. We have been developing our story writing skills, whilst becoming more familiar with the Stone Age Boy. In maths, we have been completing assessments. We have also continued to rehearse our production, which is starting to really take shape. If you can, please don't forget to help your child learn their lines. Look out for our world book day outfits on our class pages

Kestrel, Osprey & Falcon

We have had a very exciting week in Year 5/6. We started the week as detectives, investigating the murder of a King and visiting the crime scene. After reading various witness statements and writing a police report, we uncovered the shocking truth about Macbeth and his part in the murder. We have been turning parts of Shakespeare's Scottish play into narrative writing, focusing on building suspense and atmosphere and have even brought some key scenes to life through drama and role play. In our topic work we have continued to develop our geographical skills through the use of map work. It was lovely to see so many of the children come back for Book at Bedtime on Tuesday and seeing the fantastic costumes to celebrate World Book Day today.

Diary dates for Spring Term 2023

Wednesday 15th March

Possible industrial action

Thursday 16th March

Possible industrial action

Friday 17th March

Red Nose Day – Information to follow

Monday 20th March
